

All Will See

Written by Alicia Bushen, Taylor Wilding, Josh Lavender, and Daniel Austin

[Verse 1]

Every heart
Is searching for Your house
Longing for Your power
We need Your presence

[Verse 2]

You have said
We will find our rest
With every longing met
We need Your Spirit

[Pre-Chorus]

Tear through the veils
That steal our vision
We want to see You
Make us a temple
To rest Your presence
We want to see You

[Verse 3]

We believe
What started as a stream
Will rise into a sea
Covering all things

[Pre-Chorus]

[Chorus 1A]

Hallelujah Hallelujah
We will see your glory
Hallelujah Hallelujah
We will see your glory

[Bridge]

The skies will be rolled back
Heaven will open
We will see Your glory

Caught in Your brilliance
Still in Your presence
We will see Your glory

[Pre-Chorus]

[Chorus 1B]

Hallelujah Hallelujah
All will see your glory
Hallelujah Hallelujah
All will see your glory
