

Awaken Songs of Praise

Written by Josh Lavender, Andrea C. Hunter, Taylor Wilding

[Verse 1]

Lift your eyes to God, my soul
Think on all He's done
Remember His steadfast love
Till all fear is gone
Awake my soul awake my soul

[Verse 2]

From Your altar take a coal
Set my heart on fire
Spirit burn within my bones
Awaken love's desire
Awake my soul awake my soul

[Chorus]

Praise the Lord Almighty
Sing His praise again
Lift your eyes to Jesus
We lift our hearts to Him
Rise up like the morning
Come and bless His name
Because our God is worthy
Awaken songs of praise

[Verse 3]

From Your wounds I will not go
From Your perfect love
Stay the course; keep faith and know
God has overcome
Awake my soul awake my soul

[Verse 4]

See the Lord enthroned on high
Set your mind above
His pierced hands and wounded side
Call for all my love
Awake my soul awake my soul

[Chorus]

[Bridge 1A]

Faith is rising
Glory returning
He deserves our praise
He deserves our praise
Hope is stirring
Christ is returning
He deserves our praise
He deserves our praise

[Bridge 1B]

Faith is rising
Glory returning
You deserve our praise
You deserve our praise
Hope is stirring
Christ is returning
You deserve our praise
You deserve our praise

[Chorus]
