

# THE wesleyan CHURCH MADE NEW

**Who** is making disciples in our church?

**How** many disciples are multiplying our church?

**Where** are we a transforming presence by disciples making disciples?

In light of our vision and strategic focus we ask three core questions of ourselves to celebrate the movement of God. These three core questions are help us to identify who, how and where we are discipling and multiplying.

1. **Who** is making disciples in our church?
  - Who are the disciples that are making disciples in our church?
  - Who has experienced conversion?
  - Who is being baptized?
  - Who is becoming a member?
  - Who is in attendance?
2. **How** many disciples are multiplying our church?
  - How many are we sending to plant a church?
  - How many are we sending to a new campus?
  - How many are we sending as global missionaries?
  - How many are we sending into ministry training?
  - How many are we sending into multiplication training?
  - How many dollars are we sending for church multiplication?
3. **Where** are we a transforming presence by disciples making disciples?
  - Where are the ZIP (or postal) codes of each community where a disciple is making a disciple?

*The Wesleyan Church is working to connect churches to one another and their resources to equip them make plans (by 2019) to more intentionally improve in the above areas.*
