He goes before He stands behind  
                  F                                  F  
                  Bb                              Dm                          C  
Though the waters rage around I'll be held high  
          Bb          F                  C Dm  
By God my help my Savior  
Bb                  Dm C  
Whom then shall I fear

## CHORUS 1

He is my hope He is my song  
Bb                  F  
                  C                              Dm  
God who never fails me  
Bb                  Dm                          C  
He is my light refuge of all my days
