MULTIETHNIC MINISTRIES

mission & vision

Create a denomination-wide culture of multiethnic ministry that is reflected in leadership at every level, in discipleship within our churches across every district and in outreach to every people group.

3 Ministry Priorities

1. **Celebrate, share and build** on the multiethnic realities that currently exist within our denominational family.
2. **Coordinate commitment** on ramps for leaders and pastors to make decisions that reflect their belief in the sound theology and ecclesiology of multiethnic ministry.
3. **Create an ongoing network**, partnership and communication strategy to keep the movement on mission and sustainable.

6 Multiethnic Core Commitments

1. **CALL** people to prayer
2. **CAST** vision
3. **CONNECT** catalytic leaders
4. **COACH** pastors
5. **COLLABORATE** with credible resources
6. **CREATE** regional teams.
